

FREE COMMUNITY WORKSHOP

You Already Know What You Want to Make. Now You Can.

A live demo and honest conversation about working with AI – what it can do, what to watch out for, and how to stay in the driver's seat.

WHEN Wednesday, April 15 · 7:00 PM

WHERE 551 Community Center
551 Whiting St., Grass Valley

BRING Just show up. Bring a laptop if you want to try it yourself.

AI tools can now write code, build websites, draft documents, and take actions on your behalf. It helps to see it for yourself. This workshop is for anyone curious about what's happening.

WHAT YOU'LL SEE

A website built from scratch in 15 minutes using plain English – no coding. Along the way, we'll talk about how these tools work, where they fail, and how to direct them.

WANT A HEAD START?

Step-by-step instructions are already online at johnnycornyn.com – try it before or follow along after.
